The Edmond and Lily Safra Center for Brain Science - ELSC, is an institute for academic excellence and is currently being built at the Edmond J. Safra Campus, Jerusalem thanks to the generous support of the Edmond J. Safra Philanthropic Foundation.

ELSC has openings for new faculty positions to be filled. As well as, post doctoral training positions for outstanding students at the center’s laboratories.

On this page we also publish open positions available with our colleagues and friends. If you want to publish an open position in Neuroscience please contact our webmaster via the contact us form.

Postdoctoral position on the brain mechanisms of auditory attention using intracranial EEG in Human
Postdoctoral position on the brain mechanisms of auditory attention using intracranial EEG in Human This position is available in Lyon, France at the Lyon Neuroscience Research Center, DYCOG Team (Dir. Olivier Bertrand) under the direction of Aurélie Bidet-Caulet, Ph.D.

ARUK-funded Research Assistant in Cellular Neuroscience
Up to 6-month Research Assistant Imperial £26,650 - £29,410 pa inclusive, London, UK. An exciting opportunity for a Research Assistant is available in the Laboratory of Synaptic plasticity and Repair of Imperial College London.

MRC-funded Postdoctoral fellowship in Cellular Neuroscience
An exciting opportunity for a Postdoctoral Research Fellowship is available in the Laboratory of Synaptic plasticity and Repair of Imperial College London

Fellowships
Grants for Student Travel Abroad
Upcoming Events
It is now widely accepted that deciphering the enigma of the brain is the most challenging intellectual endeavor of the 21st century, "The Century of the Brain" - Join our quest and become a friend of ELSC.

**ELSC Friends**

**Studying at ELSC**

Our Int'l Ph.D. program provides outstanding students with top-notch courses in computational neuroscience.

**The Building**

The Jerusalem Brain Sciences Building will provide a state-of-the-art research and teaching facility for the Edmond and Lily Safra Center for Brain Sciences.

**ELSC Media Channel**

Get into our media channel and investigate ELSC's latest videos: seminars, public lectures, courses and video articles.
