The Edmond and Lily Safra Center for Brain Science - ELSC, is an institute for academic excellence and is currently being built at the Edmond J. Safra Campus, Jerusalem thanks to the generous support of the Edmond J. Safra Philanthropic Foundation.

ELSC has openings for new faculty positions to be filled. As well as, post doctoral training positions for outstanding students at the center's laboratories.

On this page we also publish open positions available with our colleagues and friends. If you want to publish an open position in Neuroscience please contact our webmaster via the contact us form.
