The Edmond and Lily Safra Center for Brain Science - ELSC, is an institute for academic excellence and is currently being built at the Edmond J. Safra Campus, Jerusalem thanks to the generous support of the Edmond J. Safra Philanthropic Foundation.

ELSC has openings for new faculty positions to be filled. As well as, post doctoral training positions for outstanding students at the center's laboratories.

On this page we also publish open positions available with our colleagues and friends. If you want to publish an open position in Neuroscience please contact our webmaster via the contact us form.

ELSC Friends

It is now widely accepted that deciphering the enigma of the brain is the most challenging intellectual endeavor of the 21st century, "The Century of the Brain" - Join our quest and become a friend of ELSC.
Our Int'l Ph.D. program provides outstanding students with top-notch courses in computational neuroscience.

The Jerusalem Brain Sciences Building will provide a state-of-the-art research and teaching facility for the Edmond and Lily Safra Center for Brain Sciences.

Get into our media channel and investigate ELSC’s latest videos: seminars, public lectures, courses and video articles.
