ELSC congratulates Dr. Ami Citri for his appointment as CIFAR Azrieli Global Scholar, as of July 2016.

Established in 1982, CIFAR (Canadian Institute for Advanced Research) is a Canadian-based, global, research organization, comprised of over 360 fellows, scholars and advisors from more than 100 institutions in 17 countries. CIFAR brings together outstanding researchers to work in interdisciplinary, global networks to address the most important questions of our time. The institute is involved in a range of exciting research areas.
