PhD in Computational Neuroscience

About ELSC International Ph.D. Program in Computational Neuroscience [1]

Information for students [2]

Ph.D program: information for students

Program of Studies [3]
Detailed information about program requirements, structure of the curriculum, international courses in neural computation and more.
Read More [3]

Course List [4]
Course Listings for Ph.D. Program in Brain Sciences: Computation and Information Processing (597).
Read More [4]

Useful links [5]
Useful web links for libraries, course registration, courses websites and more.
Read More [5]

Registration Information [7]
Information for international candidates

Ph.D. Program in Computational Neuroscience Registration Information
