The Hebrew University, The Edmond and Lily Safra Center for Brain Sciences and the Jerusalem Cinematheque proudly present

CINEMA & BRAIN WEEK
Lectures and Movies - Imagination and Reality in Brain Research

For more information and for tickets: 02-5654356 | www.jer-cin.org.il | www.elsc.huji.ac.il

Saturday, 8.3.14, 20:30, Cin. 1
The Creative Mind, Reality, Imagination and Brain-Machine Interfaces
Panel with: Prof. Eilon Vaadia, Ari Folman and Michel Kichka
Moderator: Dr. Noa Regev
Movie: The Congress

Monday, 10.3.14, 17:00, Cin. 1
The Musical Brain
Speaker: Prof. Eitan Globerson
It is impossible to imagine our world without the music, which accompanies us throughout our lives and influences our emotional world. The lecture will examine the way the brain grasps music, from the initial stage of sound perception to the more complex processes that enable us to attribute deep emotional and aesthetic meanings to music. The lecture will include demonstrations on the piano.

Monday, 10.3.14, 20:30, Cin. 1
How Do We Learn New Skills?
Speaker: Prof. Merav Ahissar
Movie: In Her Shoes

Tuesday, 11.3.14, 20:30, Cin. 1
How do You Smell?: The Sensory Processing of Scents
Speaker: Prof. Noam Sobel
Movie: Harold and Maude

Wednesday, 12.3.14, 20:30, Cin. 1
Reactions to Stress Take a Toll
Speaker: Prof. Hermona Soreq
Movie: Blue Jasmine

Thursday, 13.3.14, 20:30, Cin. 1
What Was Said and What Wasn't
Speaker: Prof. Yosef Grodzinsky
Movie: The Conversation
Please note that the lecture will take place after the movie.

Monday, 10.3.14, 20:30, Cin. 1
Brain Development—Reality and Dreams
Speaker: Prof. Chaya Kalcheim
Movie: Gattaca

The Young Scientists
Every evening between 19:30-20:30 young researchers from the Edmond and Lily Safra Center for Brain Sciences at the Hebrew University will present their latest studies in the halls of the Cinematheque.

Game of Lobes
Caricaturists Sketch the Brain
The exhibit will open on 8.3.14 and will continue throughout March at the Jerusalem Cinematheque.
