

Conference: The Future of Brain Research

Program:

11:30 – Gathering and light refreshments

12:00 Opening Remarks: Prof. Naftali Tishby, Matan and Eva

Session 1

Debate title: From Molecules to Mind and Back

12:15 – 12:40 Prof. Yadin Dudai (Weizmann Institute)

12:40 – 12:55 Prof. Haim Sompolinsky (Hebrew University)

Short Discussion

Debate title: From Neuron to Cognition: What is needed to understand brain mechanisms of higher brain function?

13:05 – 13:30 Prof. Moshe Abeles (Bar-Ilan University)

13:30 – 13:45 Prof. Shaul Hochstein (Hebrew University)

Short Discussion

13:55-14:20 - Break and light refreshments

Session 2

Debate title: Subjective experience and objective brains

14:20 – 14:45 Prof. Yoram Yovell (University of Haifa)

14:45 – 15:00 Prof. Hagai Bergman (Hebrew University)

Short Discussion

Debate title: The Conceptual Nervous System

15:10 – 15:35 Prof. Shimon Marom (Technion)

15:35 – 15:50 Prof. Yosef Yarom (Hebrew University)

Short Discussion

16:00 Concluding Remarks: Prof. Eilon Vaadia

All lectures will be given in English
